Photo Caricatures

A great way to capture a family, group, team or troop!

1. Please review the sample on www.sketchesbybeth.com. Note: these caricatures are a combination of artwork and photos of faces that you provide.
2. Enclose approximately 1" photos of faces only (color or black/white).
3. Describe each person in detail: personality, funny traits, are they short? tall?, what theme are you trying to portray? Give background ideas and enclose photos if that will help portray the setting. The more detail, the better! Please attach a typed sheet of each person in the sketch.
